Mark Olson Commissioner of Public Works

April 11, 2023

Commissioner Wanda Portorreal;

After the removal of the playground equipment at Fellowship Park, which was suggested by our insurance company, I am excited to start a discussion concerning a new sensory playground in the same area. Attached is a quote and plans for a sensory playground which includes installation. This playground will be a unique place specifically designed for children of all abilities, ages 2-5 and 5-12. A place where children can go and enjoy themselves, engage, explore and socialize together. I would also like to talk in the near future regarding another all-abilities playground for children and adults of all ages located at Vogt Park on Lincoln Avenue and Grove Street. The proposal for that park is pending.

I look forward to getting this project started and move forward with the other projects as soon as we can.

Thank you,

Rich Flynn

Assistant Superintendent

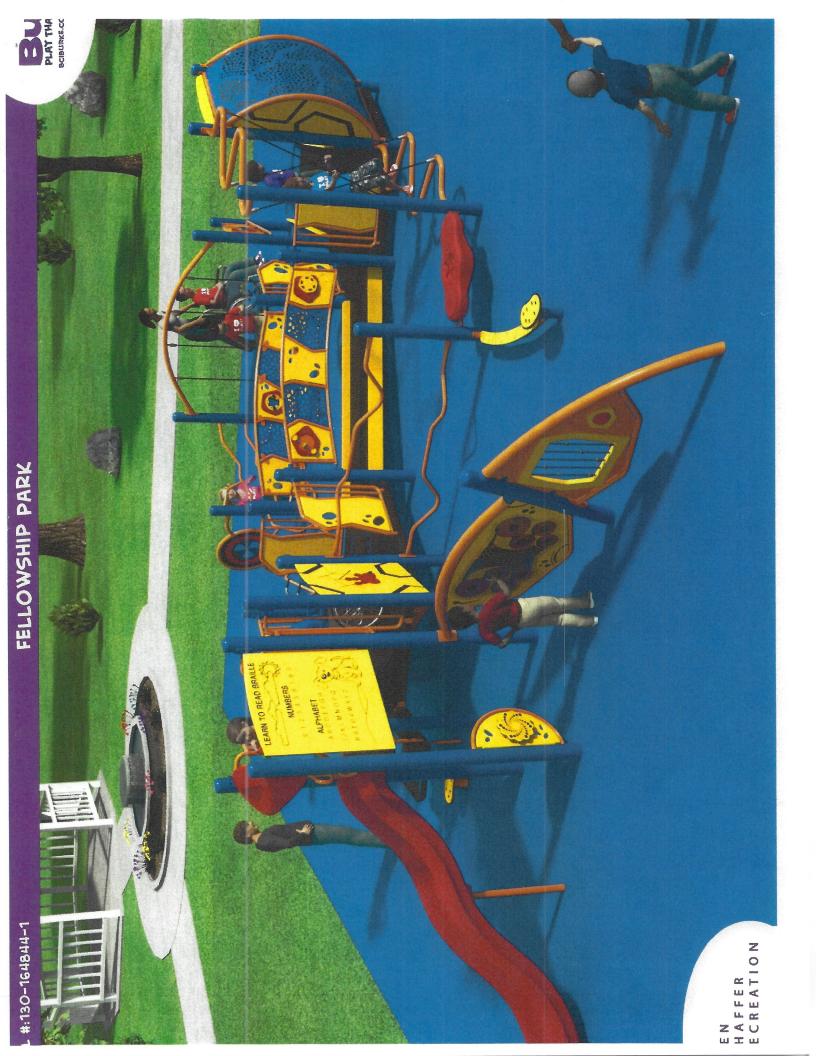

Public Works
